## **Matters Arising**

Beulah Fields Cllr Fisher had liased with the rep from Wicksteed Leisure with regards to improving the park, the roundabout space was not big enough and would need digging up and resurfacing before new roundabout could be erected, a new base for a springy would be required. The cost quoted, possibly negotiable, was £19,000.00, which included new metal fencing, new gates, new seats for swings and resurfacing under. Cllr Berry offered to put quote to Mr Whyatt at Cemex. Following discussion re other grants possibly available decided for Cemex to be approached in first place due to time scale.

Declaration of Personal or Personal and Prejudicial Interests No alterations.

Benchmarks Clerk to order four benchmarks with no heights quoted.

Path to Horkstow Still no response from Mr Norvak. Cllr Berry informed the meeting that he had spoken to Mr Norvak you stated that he had replied and would send copy letters. Still no correspondence received. Cllr Berry to contact again.

Flood Plan Cllr Haddon reported that she and Cllr Holloway had made some headway with the next step being to talk to those at risk in the vicinity of the Sluice. A questionnaire had been drafted and circulated all in agreement. Cllr Haddon explained that the main focus would be on the elderly and infirm. There would be approximately 80 houses affected and summary plans would be circulated for these hopefully by March. There was some concern over the access to the bungalows on Andrews road and following discussion decided to take the matter up with NLC at a later date when the plan was completed. Cllr Haddon and Holloway to try and see the majority of householders that would possibly be affected.
