

South Ferriby Parish Council is pleased to announce that it has adopted the telephone kiosk from BT. The traditional red kiosk, or K6, plays a significant part in our national heritage and the Parish Council has chosen to retain this, thereby ensuring it can be enjoyed by generations to come.

The Parish Council is now responsible for the upkeep and maintenance of the kiosk. In the event of a problem please contact Louise Ward, Parish Clerk on 01652 618617.
