

## Why Volunteer?

Justine Curran  
Chief Constable

Richard Hannigan  
Chief Fire Officer

Thank you for considering a volunteering opportunity with Humberside Police / Humberside Fire and Rescue. In joining us you would bring a wide range of skills, experiences and local knowledge into the force which would add further value to our services. We are passionate about serving our communities which is a challenging and important role. In Humberside we are all one team dedicated to delivering policing or fire and rescue services to make a real difference to our communities. Your involvement would also release valuable time of officers and staff to concentrate on core duties. The more people we have working as part of our teams the more we can do and the more impact we can make. We each bring an important part whatever the role we play. We are looking forward to working with you to provide the best possible services to all of our communities across Humberside.
